THE WAY TO KIDDUSH HASHEM

Any action that bring honor or respect to God's name is an act of Kiddush HaShem (Shem=name and is used in place of a word for God). Our monthly mitzvot & weekly Ot are examples of ways to be holy and act with Kiddush HaShem. Being willing to die rather than act in an 'unholy' way, martyrdom, is also considered an act of Kiddush HaShem.

KISLEV WOMAN OF VALOR

This *hodesh* we look at Barbara Myerhoff, a renown anthropologist who devoted her life to studying the ways in which men and women from diverse cultures used their stories and sacred rituals to imbue difficult lives with meaning.
